

LABORATORI NAZIONALI DEL GRAN SASSO

**THEORETICAL SEMINAR
ANNOUNCEMENT**

On **May 10, 2007** at **15:00**, **Carlos Savoy** from **CEA, Saclay** will give a seminar
entitled:

**Electric dipole moments in
supersymmetry**

Abstract

**I shall review the constraints on supersymmetric models from present
and near future experiments on EDM's, in particular, the lepton
EDM's (also to take into account the venue!)**

(“B. Pontecorvo” room)
